

L'institut national de l'image et du son

Contribution to training expenditure

Letter of agreement 2018

In accordance to the Act to promote workforce skills development and recognition, the Government of Quebec states that every employer should allot an amount representing at least 1% of his total payroll for one calendar year to eligible training expenditures.

(Name of the production company)

accepts to contribute the amount of \$_____ for the year 2018 to The National Institute of Image and Sound (L'inis), a cooperative training institution for workers in the film, television and interactive media industry in Quebec that collects funds regarding the Act to promote workforce skills development and recognition of the Government of Quebec.

L'inis guarantees that the amount will be entirely devoted to promoting workforce skills development and recognition of the audiovisual industry in Quebec.

The Parties recognized that this agreement applies only for the year 2018 and may not under any circumstances be construed in any way as a precedent.
